think the charge is unreasona
When the importance of the
work is considered. I would
have the surveying and
mapping done by skilled
agency Wonderful
progress has been made
with opening out new streets
and lanes & widening existing
ones. The Amildar of Doddaballa
pur is quite justified
wishing to see

A record made of the recent improvements he has done & excellent work in village sanitation and has opened out lanes & streets not only in the Kasba town but in outlying villages also

I would not grudge a similar grant to Calicut in which the Commissioner says that work similar to what the Dodballapur Authority has done has been shown

Yours sincerely

their width and length so as to prevent encroachments by private men on Government lands within village sites.

2 I therefore request that the sanction of Government may be accorded to incur a small expenditure of Rs. 100/ for each Taluk or Rs. 1000/ for the whole District towards the purchase of the required instruments drawing paper and other materials. This amount can be well met from the closing balance of Rs. 18058. shown in the sanctioned District Fund Budget of the current year.

3 I may here state for the information of Government that the Work Inspector, the Plague or Sanitary Inspector and the Measurer attached to each Taluk, as also such of the Sheikdars who possess a fair knowledge of drawing will be employed on this

important work, without prejudice to their legitimate duties.

Sir.

I respectfully beg to submit that as a plague preventive measure, existing lanes and roads in Villages are widened and straightened and new ones are made. In doing this, private lands and buildings are made use of. But there is no record to show the things as they existed

existed ere this, and the improve-
-ments now ——————— made,
the result being that in a
few days, encroachments
will commence and crooked
and narrow lanes and roads
will come into existence.
(2) When the present Villages
were newly built, the people
had properly laid out the streets
and lines of houses, making
allowance for free ventilation
and drainage. Value of lands
increased and thirst for en-
croachment also increased
which has been causing
so much inconvenience
now. The Village officials are
